v. NICOLE K. et al.

The order terminating parental rights is vacated, and the matter is remanded with directions to the juvenile court to direct HSA to make inquiry of the minors' maternal grandfather in an effort to obtain identifying personal and tribal information as described in 25 Code of Federal Regulations section 23.11 (d) (3), concerning his parents. If such inquiry produces additional information regarding the minors' alleged Indian heritage, the court is directed to order new notices to issue in compliance with the ICWA. Following such notice, if a tribe determines that the minors are Indian children, or if other information is presented to suggest the minors are Indian children as defined by the ICWA, the juvenile court is ordered to conduct a new hearing pursuant to section 366.26 in conformity with all provisions of the ICWA. If, after proper inquiry, no new information is uncovered concerning the minors' alleged Indian heritage, or if after new ICWA notice, no tribe determines that the minors are Indian children or no response is received indicating the minors are Indian children, all previous findings and orders shall be reinstated.
